Rutgers University–New Brunswick was founded over 250 years ago and is the eighth oldest institution of higher education in the United States. It is the historical center and flagship of The State University of New Jersey, and proud member of the Association of American Universities. Today, it remains true to its threefold mission of teaching, research, and public service.

Rutgers students are smart, economically and ethnically diverse, and driven and engaged in the world around them. They achieve both a level of academic scholarship and a mastery of practical skills which earn them prestigious fellowships and the attention of recruiters from major companies and organizations.

“I love Rutgers because of the diversity. Not only is there diversity in terms of the different races and ethnicities present, there’s also a diverse combination of organizations centered around different topics including Quidditch and Puppy Club!”
- Ugonna Nwankwo
MARKETING AND HUMAN RESOURCE MANAGEMENT, 2018

“The reason I chose Rutgers is because of the history, education, and diversity that all mingle together in a perfect setting. This combined with its uniqueness makes Rutgers my home.”
- Joshua Blackman
ACCOUNTING, 2018

“As a NJ resident, I chose Rutgers over other Ivy League and private institutions because of its great educational value and generous merit-based aid. I have benefitted tremendously from being paired with a peer and faculty mentor through the School of Arts and Sciences Honors Program, participating in an honors seminar of just nine students, and conducting cutting-edge research through the Aresty Research Center.”
- Sarah Lin
PLANNING AND PUBLIC POLICY, 2018

“I have not only discovered the career path of becoming a science teacher, but am also proudly going into my third year of conducting scientific research thanks to the amazing programs and opportunities offered at Rutgers.”
- Ashtyn Greenstein
BIOLOGICAL SCIENCES, 2017

STUDENT LIFE
**THE HONORS COLLEGE**

Bringing together the most high-achieving students from across the nation in a wide range of disciplines, the new residential Honors College welcomed its first class in 2015. It features:

- 500 student scholars (90% coming from the top 10% of their high school graduating class)
- Achievement-based scholarships for all who are invited to join
- Faculty and student mentors within a state-of-the-art residence facility
- Faculty and student teams exploring inventive solutions to complex world problems
- Funding for study abroad programs

And much more! [honorscollege.rutgers.edu](http://honorscollege.rutgers.edu)

**HONORS PROGRAMS**

Formal honors programs are also offered by some of our undergraduate schools. Students may be invited to participate in these school-specific programs:

- School of Arts and Sciences/Rutgers Business School [sashonors.rutgers.edu](http://sashonors.rutgers.edu)
- School of Engineering [soe.rutgers.edu/oas/honors](http://soe.rutgers.edu/oas/honors)
- School of Environmental and Biological Sciences [sebshonors.rutgers.edu](http://sebshonors.rutgers.edu)
- Ernest Mario School of Pharmacy [admissions.rutgers.edu/pharmahonors](http://admissions.rutgers.edu/pharmahonors)

Ask questions, analyze problems, find solutions, share discoveries, lead, and make a difference in the world! Honors undergraduates have numerous opportunities to pursue honors studies through the Honors College and/or school-specific honors programs. Students who apply by our application due dates are automatically considered for honors opportunities.
